# MAIER

With kitchen cabinetry experience of more than half a century, German brand MAIER, established in 1966, is committed to crisp lines and defined contours that infuse kitchens with a contemporary flair. With flexibility in mind, MAIER offers an extensive range of finishes for its panels such as porcelain slab, wood veneer, and artistic paint lacquered, each reflecting a user's personality in its own style.

Apart from design, its kitchen fittings are comprised of the finest hardware and materials sourced from Europe, offering a perfect blend of convenience and durability. The brand's highly customisable island features a worktop that can stretch up to five metres in length and comes with a variety of material options, empowering homeowners to tailor their ideal kitchen with ease.

Following significant expansions of its production line, MAIER now provides a comprehensive range of home solutions under its new identity - MAIER HOME. While kitchen cabinets remain front and centre, MAIER repertoire has now grown to include doors, walk-in closets, living rooms, bathroom furnishings, and wall systems. Its products are available at iLiving.

創立於1966年的德國品牌MAIER擁有超過半世紀製造廚櫃的經驗，奉行簡約設計風格，其廚櫃線條清晰、輪廓分明，為廚房增添時尚美感。MAIER的板材配備大量特色飾面可供選擇，包括岩板、實木皮、藝術焗油等，讓廚櫃更顯個人風格。除設計外，廚櫃配件均屬歐洲頂級五金及板材，方便耐用。MAIER的中島廚櫃更可因應需求，配搭特色工作檯面，長度可達五米，加上不同的物料選擇，讓用家能輕鬆打造理想下廚空間。

隨著近年生產線的大幅擴張，MAIER現已能為顧客提供全面的家居服務，並以MAIER HOME為全新品牌標誌。除了品牌最擅長的廚櫃外，MAIER產品亦涵蓋門類、衣帽間、客廳及浴室家具、牆面系統等不同類別。MAIER家具於生活意有限公司有售。
